

# Alcohol: The Ripple Effects

Healthy Christchurch

Alcohol misuse is damaging our communities  
– and our country – causing misery, pain and loss.

But we can ALL work together to change our drinking culture.  
You are invited to be part of a public forum to hear how much  
damage alcohol is causing in our communities.

**Alcohol: The Ripple Effects**  
**Thursday 10 June 2010**  
**7pm – 9pm**  
**ChristChurch Cathedral**  
**Cathedral Square**

Speakers include:

**Professor Doug Sellman, National Addiction Centre**

**Dr Jan Bone, Emergency Department Physician**

**Professor Peter Joyce, Dean, University of Otago, Christchurch**

**Dr Martin Seers, Pegasus Health**

**Gilbert Taurua on behalf of Ngai Tahu**

**Alastair Lawn, New Zealand Police**

**Glenn Dobson, Safer Christchurch, Christchurch City Council**

**Martin Ferguson from the Tri-agency Liquor Licensing Group**

**Craig Stockdale, St John**

*This is an alcohol and drug-free event.*
